

Mercyhurst University is a community of learning dedicated to the lifelong development of the whole person in the context of our Mercy heritage and Catholic tradition.

Baldwin Hall

McAuley Hall

The Residence Life Office provides a living environment that enables each student to develop holistically through educational opportunities. We recognize that learning extends beyond the classroom and continues into the area in which students live.

The freshman residential area is home to the university's nearly 625 freshmen. Female students reside in Baldwin Hall or Warde Hall, while male students reside in McAuley Hall or Warde Hall.

These halls are all conveniently located in the center of campus. The Herrmann Student Union, the Egan cafeteria, Old Main, the Recreation Center, and the Hirt Academic Building are all in close proximity to the freshman residential area. In addition, each hall has WiFi access, a 24 hour desk for security, and free laundry facilities on each floor.
