Dear College and University Presidents:

These are unprecedented and challenging times for your students and for you. I know you find yourselves grappling with issues you never imagined, and I want to assure you we are here to support you in your missions and to quickly provide the resources and flexibilities you need to continue educating your students. That’s why we’re focused on implementing the Coronavirus Aid, Relief, and Economic Security (CARES) Act quickly and faithfully.

I gave my team a charge as soon as the CARES Act was signed into law: get support to those most in need as quickly as possible. That starts with college students whose lives have been disrupted, many of whom are facing financial challenges and struggling to make ends meet.

As you know, the CARES Act provides several different methods for distributing roughly $14 billion in funds to institutions of higher education. The most significant portion of that funding allocation provides that $12.56 billion will be distributed to institutions using a formula based on student enrollment. Of the amount allocated to each institution under this formula, at least 50 percent must be reserved to provide students with emergency financial aid grants to help cover expenses related to the disruption of campus operations due to coronavirus. We are prioritizing this funding stream in order to get money in the hands of students in need as quickly as possible.

The CARES Act provides institutions with significant discretion on how to award this emergency assistance to students. This means that each institution may develop its own system and process for determining how to allocate these funds, which may include distributing the funds to all students or only to students who demonstrate significant need. The only statutory requirement is that the funds be used to cover expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance, such as food, housing, course materials, technology, health care, and child care). With that said, I would like to encourage the leadership of each institution to prioritize your students with the greatest need, but at the same time consider establishing a maximum funding threshold for each student to ensure that these funds are distributed as widely as possible. As a point of reference, you might consider using the maximum Federal Pell grant (for the 2019-2020 academic year, $6,195) as that threshold. In addition, if you determine that your institution’s students do not have significant financial need at this time, I would ask that you consider giving your allocation to those institutions within your state or region that might have significant need.

In order to access these funds, all institutions must sign and return the Certificate of Funding and Agreement via: grants.gov (https://www.grants.gov/web/grants/applicants/registration.html), acknowledging the terms and conditions of the funding. After the Department has received the...
certificate, institutions may draw down their emergency assistance funds using the Department’s G5 system.

The Department is also working expeditiously to allocate the remaining funding that is reserved for institutional use, and we will provide details on how institutions may apply for this institutional funding, as well as for other emergency funding, in the coming days. Thank you for your continued work on behalf of America’s students.

Sincerely,

Betsy DeVos
Recipient's Funding Certification and Agreement
Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, and Economic Security (CARES) Act

Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education ("Secretary") to allocate formula grant funds in the amount of $1,571,724.00 to Mercyhurst University ("Recipient").

Section 18004(c) of the CARES Act requires Recipient to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care). This Certification and Agreement solely concerns the emergency financial aid grants to students under Section 18004(c) of the CARES Act.

To address the pressing financial need of students due to the disruption of campus operations from coronavirus, and pursuant to the authority duly delegated to the Secretary under the CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March 13, 2020, "Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak," Federal Register Vol. 85, No. 53 at 15337-38, the Secretary and Recipient agree as follows:

1. The Secretary will provide Recipient fifty (50) percent of its formula grant funds (the "advanced funds") for the sole and exclusive purpose of providing emergency financial aid grants to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.

2. Recipient agrees to promptly make available emergency financial aid grants from the advanced funds directly to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses. Recipient shall not use the advanced funds to reimburse itself for any costs or expenses, including but not limited to any costs associated with significant changes to the delivery of instruction due to the coronavirus and/or any refunds or other benefits that Recipient previously issued to students.

3. Recipient retains discretion to determine the amount of each individual emergency financial aid grant consistent with all applicable laws including non-discrimination laws. Recipient acknowledges that the Secretary recommends the maximum Federal Pell Grant for the applicable award year as an appropriate maximum amount for a student's emergency financial aid grant in most cases, and the Recipient should be mindful of each student's particular socioeconomic circumstances in the staging and administration of these grants. The Secretary strongly encourages Recipient's financial aid administrator to exercise the use of professional judgment available under Section 479A of the Higher Education Act of 1965 (HEA), 20 U.S.C § 1087t, to make adjustments on a case-by-case basis to exclude individual emergency financial aid grants from the calculation of a student's expected family contribution. The Secretary does not consider these individual emergency financial aid grants to constitute Federal financial aid under Title IV of the HEA.
4. In consideration for the advanced funds and as conditions for their receipt, Recipient warrants, acknowledges, and agrees that:

(a) The advanced funds shall not be used for any purpose other than the direct payment of grants to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care;

(b) Recipient holds those funds in trust for students and acts in the nature of a fiduciary with respect thereto;

(c) Recipient shall promptly comply with Section 18004(e) of the CARES Act and (i) report to the Secretary thirty (30) days from the date of this Certification and Agreement and every forty-five (45) days thereafter in accordance with 2 CFR 200.333 through 2 CFR 200.337, or in such other additional form as the Secretary may specify, how grants were distributed to students, the amount of each grant awarded to each student, how the amount of each grant was calculated, and any instructions or directions given to students about the grants; and (ii) document that Recipient has continued to pay all of its employees and contractors during the period of any disruptions or closures to the greatest extent practicable, explaining in detail all specific actions and decisions related thereto, in compliance with Section 18006 of the CARES Act;

(d) Recipient shall comply with all requirements in Attachment A to this Certification and Agreement;

(e) Recipient shall promptly and to the greatest extent practicable distribute all the advanced funds in the form of emergency financial aid grants to students by one year from the date of this Certification and Agreement, and document its efforts to do so as part of the report specified in subsection (c) above;

(f) Recipient shall cooperate with any examination of records with respect to the advanced funds by making records and authorized individuals available when requested, whether by (i) the U.S. Department of Education and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; and

(g) failure to comply with this Certification and Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CARES Act or any other applicable law may result in Recipient’s liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; 18 USC § 1001, as appropriate; and all of the laws and regulations referenced in Attachment A, which is incorporated by reference hereto.

Recipient’s Funding Certification and Agreement
for the Institutional Portion of the Higher Education Emergency Relief Fund
Formula Grants Authorized by Section 18004(a)(1) of the Coronavirus Aid, Relief, and
Economic Security (CARES) Act

Sections 18004(a)(1) and 18004(c) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020),
authorizes the Secretary of Education (“Secretary”) to allocate a maximum institutional portion of
the formula grant funds in the amount of $1,571,274.00 (up to 50 percent of the amount authorized under Section 18004(a)(1) of the CARES Act) to

Recipient

Section 18004(c) of the CARES Act allows Recipient to use up to 50 percent of the funds
received to cover any costs associated with significant changes to the delivery of instruction due to
the coronavirus so long as such costs do not include payment to contractors for the provision of pre-
enrollment recruitment activities, including marketing and advertising; endowments; or capital
outlays associated with facilities related to athletics, sectarian instruction, or religious worship
(collectively referred to as “Recipient’s Institutional Costs”). Section 18004(c) also requires
Recipient to use no less than fifty percent of the funds received to provide emergency financial aid
grants to students for expenses related to the disruption of campus operations due to the coronavirus
(including eligible expenses under a student’s cost of attendance such as food, housing, course
materials, technology, health care, and child care). This Certification and Agreement solely concerns
Recipient’s Institutional Costs, as defined above.

To address Recipient’s Institutional Costs, and pursuant to the Secretary’s authority under the
CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March
13, 2020, “Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19)
Outbreak,” Federal Register Vol. 85, No. 53 at 15337-38 (hereinafter “Proclamation of National
Emergency”), the Secretary and Recipient agree as follows:

1. The Secretary will provide Recipient funds for Recipient’s Institutional Costs as
authorized under Sections 18004(a)(1) and 18004(c) of the CARES Act.

2. As a condition for receiving funds for Recipient’s Institutional Costs, Recipient must
have entered into the Funding Certification and Agreement for Emergency Financial Aid Grants to
Students under the CARES Act. Recipient may, but is not required to, use funds designated for
Recipient’s Institutional Costs to provide additional emergency financial aid grants to students for
expenses related to the disruption of campus operations due to coronavirus. If Recipient chooses to
use funds designated for Recipient’s Institutional Costs to provide such emergency financial aid
grants to students, then the funds are subject to the requirements in the Funding Certification and
Agreement for the Emergency Financial Aid Grants to Students under the CARES Act, entered into
between Recipient and the Secretary.

3. The Secretary urges Recipient to devote the maximum amount of funds possible to
emergency financial aid grants to students, including some or all of the funds earmarked for
Recipient’s Institutional Costs, especially if Recipient has significant endowment or other resources
at its disposal. The Secretary urges Recipient to take strong measures to ensure that emergency financial aid grants to students are made to the maximum extent possible.

4. In consideration for the funds and as conditions for their receipt, Recipient warrants, acknowledges, and agrees that:

(a) The funds shall be used solely for the purposes authorized in Section 18004(c) of the CARES Act. In accordance with Section 18004(c) of the CARES Act, Recipient shall not use funds for payment to contractors for the provision of pre-enrollment recruitment activities, which include marketing and advertising; endowments; or capital outlays associated with facilities related to athletics, sectarian instruction, or religious worship.

(b) Recipient retains discretion in determining how to allocate and use the funds provided hereunder, provided that funds will be spent only on those costs for which Recipient has a reasoned basis for concluding such costs have a clear nexus to significant changes to the delivery of instruction due to the coronavirus. It is permissible for Recipient to use the funds for Recipient’s Institutional Costs to reimburse itself for costs related to refunds made to students for housing, food, or other services that Recipient could no longer provide, or for hardware, software, or internet connectivity that Recipient may have purchased on behalf of students or provided to students.

(c) Consistent with Section 18006 of the CARES Act, Recipient agrees that to the greatest extent practicable, Recipient will pay all of its employees and contractors during the period of any disruptions or closures related to the coronavirus. The Department would not consider the following Recipient’s Institutional Costs to be related to significant changes to the delivery of instruction due to the coronavirus, and therefore would not view them as allowable expenditures: senior administrator and/or executive salaries, benefits, bonuses, contracts, incentives; stock buybacks, shareholder dividends, capital distributions, and stock options; and any other cash or other benefit for a senior administrator or executive.

(d) Recipient’s Institutional Costs must have been first incurred on or after March 13, 2020, the date of the Proclamation of National Emergency.

(e) Recipient will comply with all reporting requirements including those in Section 15011(b)(2) of Division B of the CARES Act and submit required quarterly reports to the Secretary, at such time and in such manner and containing such information as the Secretary may reasonably require (See also 2 CFR 200.327-200.329). The Secretary may require additional reporting in the future, including but not limited to reporting on the use of the funds for Recipient’s Institutional Costs, demonstrating such use was in accordance with Section 18004(c), accounting for the amount of reimbursements to the Recipient for costs related to refunds made to students for housing, food, or other services that Recipient could no longer provide, and describing any internal controls Recipient has in place to ensure that funds were used for allowable purposes and in accordance with cash management principles.

(f) Recipient shall comply with all requirements in Attachment A to this Certification and Agreement.
(g) Recipient shall promptly and to the greatest extent practicable use the funds for Recipient’s Institutional Costs by one year from the date of this Certification and Agreement, and document its efforts to do so as part of the reports specified in subsection (e) above.

(h) Recipient shall cooperate with any examination of records with respect to the funds for Recipient’s Institutional Costs by making records and authorized individuals available when requested, whether by (i) the U.S. Department of Education and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

(i) Recipient’s failure to comply with this Certification and Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CARES Act or any other applicable law may result in Recipient’s liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; 18 USC § 1001, as appropriate; and all of the laws and regulations referenced in Attachment A, which is incorporated by reference hereto.

Dear Student,

As you know, the COVID-19 pandemic has created considerable disruption to campus operations. Many of you had to leave campus housing, and courses were moved toward a remote instruction approach to ensure the safe delivery of education.

Congress has passed the CARES (Coronavirus Aid, Relief, and Economic Security) Act to provide relief to Americans affected by this crisis. A portion of those relief funds were reserved for college students whose educations were disrupted.

Mercyhurst University recently received approximately $1.5 million in CARES Act funds to assist eligible students with the disruption and unanticipated expenses associated with the pandemic. Per guidance from the Department of Education, these funds are reserved for students eligible for Title IV federal financial aid. At Mercyhurst, any student who sent us a valid FAFSA on or before March 27, 2020 (the date the legislation was enacted), who meet Title IV eligibility requirements, and who were registered for coursework as of March 27 is receiving portion of this relief funding.

Your CARES Act funds are provided in the enclosed check.

We hope these funds provide support to you for unanticipated expenses incurred due to the pandemic. Moreover, we hope you and your families are safe and well.

We wish recently graduated students much success in future endeavors, and we look forward to welcoming all other students back to campus in the near future.

Carpe Diem,
