Assistant Professor of Mathematics

The Mercyhurst University Department of Mathematics invites applications for an Assistant Professor position beginning August 2021. This is a nine-month position with a possibility of renewal. We are seeking qualified candidates with a background in statistics or mathematics.

Mercyhurst University is a fully accredited, four-year, Catholic, liberal arts institution founded in 1926 by the Sisters of Mercy, who worked hard to make the college and the Erie community a better place. The university is home to more than 3,000 undergraduate and graduate students immersed in more than 50 undergraduate majors with 67 concentrations, as well as unique adult programs and nine graduate degrees. The Department offers courses that serve science, business, and education majors.

The successful candidate will be expected to teach 24 credits over the fall and spring semesters. Candidates should be committed to excellence in teaching, with a passion for working with students from a variety of backgrounds and abilities. Additional Department and University service may be expected at a level that is appropriate for first year faculty. The ideal candidate will have a PhD in statistics or mathematics; strong candidates with a master’s degree in statistics or mathematics will also be considered. Applicants must be eligible to work in the United States.

Interested applicants should submit a letter of application, curriculum vitae, teaching statement, graduate transcript (unofficial is sufficient), and three letters of recommendation. At least one letter addressing teaching is appreciated. Additional evidence of high standards of teaching, including syllabi and course evaluation data, is optional but highly encouraged. For full consideration, please submit application materials by April 2, 2021. Applications received after this date may be considered if the position has not been filled.

Mercyhurst University is an Equal Employment Opportunity Employer that encourages members of diverse groups to apply.
