

# MINGLE WITH YOUR HURST COLLEAGUES

## Mercyhurst Employees Engaging Together

Mercyhurst University is pleased to announce a new opportunity for employees across our entire university family to engage socially with each other. Mercyhurst Employees Engaging Together (MEET) will organize monthly events for employees to encourage colleague engagement outside the confines of work. Each outing will have an assigned event leader to help coordinate our group at the site. RSVPs for every event can be made to Susan Reddinger in the Department of University Advancement at [sreddinger@mercyhurst.edu](mailto:sreddinger@mercyhurst.edu).

We've planned an exciting calendar of monthly events. Watch The Morning Buzz for more details as the dates get closer.
