All Resident students must select a meal plan. Block meals expire at the end of each semester and do not roll over. Money housed in the Hurst Dining Club rolls over from semester to semester and year to year. Dining plans can be changed up to the last day to drop/add classes each semester. Dining plans are then closed until the next semester without exception. Meal plans are designed for individual use only and permits for one To Go box per day. Please see the OneCard Portal for complete dining plan rules.

To enroll in a North East meal plan, sign up when filling out your housing contract or stop in at the Front Office and fill out an enrollment form.
