## Grievance Procedure

Any employee or student who believes they have been denied the protections provided for in the Non-Discrimination Notice by the University, should contact the Office for Equal Opportunity Programs at 824-2362 or via [aagnew@mercyhurst.edu](mailto:aagnew@mercyhurst.edu) to report the situation. Upon receiving a formal written complaint of the incident(s), the Director of the Office for Equal Opportunity Programs or her designee will promptly investigate the incident, when the incident involves an employee as the respondent. Absent a formal written complaint, the Director or her designee will attempt to work with the parties on an informal resolution. Complaints involving students as the respondent will be referred to the Student Conduct office for investigation and resolution.

The Director or her designee will prepare a written report of the findings of the investigation and present those to the appropriate Vice President or area supervisor. The Director will work in conjunction with the appropriate Vice President, or area supervisor to determine the appropriate corrective action to be taken, if it is determined that a violation of the Notice of Non-Discrimination policy has taken place.

Anyone alleging a violation of the policy need not report such violation directly to any individual who is alleged to have engaged in the behavior or decision leading to the alleged violation. The right to confidentiality, both of the complainant and of the respondent, will be respected consistent with Mercyhurst University's legal obligations and with the necessity to investigate the allegations of misconduct and take corrective action where this conduct has occurred.

Any supervisor or manager who becomes aware of possible violations of the Non-Discrimination policy should promptly advise the Director of Equal Opportunity Programs. Mercyhurst University aims to conclude investigations within 60 days of the filing of the initial complaint, with an understanding that there may be special circumstances (timing of breaks, scheduling witnesses, etc.) which make this 60 day timeframe unrealistic.

Anyone found to be engaging in discriminatory behaviors or practices will be subject to disciplinary action, up to and including termination of employment. In cases involving students who have been accused of acting in a discriminatory manner, the Student Handbook and its attendant policies on student conduct will control.

### **Information Dissemination**

Once the case is closed and complete, the following steps will be taken:

- The packet will be reviewed to make sure that all information is complete,
- A summary of the complete packet will be printed and filed (hard copy and electronically),
- Hard copies of the files will be kept in a secure location by the Director of Equal Opportunity Programs, with copies placed in relevant HR files as necessary.

### **Outcome Notification**

The Director of Equal Opportunity Programs or her designee will inform the complainant and respondent of important developments and decisions in the investigation as necessary. At the conclusion of an investigation, both the complainant and respondent will be notified in writing to inform them if a violation was determined to have occurred.

### **Appeals**

If either party is unsatisfied with the determination made at the initial investigation stage, and wishes to appeal, they must submit an appeal in writing to the Director of Equal Opportunity Programs within 7 days of the decision. The appeal will be heard and the outcome determined by the Director of Human Resources.
