

Graduate College Articulation Agreements

Corry Higher Education Council

1. A student who completes all coursework in the Corry Regional Leadership Program, may petition for graduate credits in the Program in Organizational Leadership. A written portfolio describing the leadership training experience must be submitted to and approved by the director of the Organizational Leadership program. This portfolio must be a synthesis of key leadership concepts and its content must be discussed with the director before submission.
2. Evidence of completion of coursework from the Corry Leadership program must be supplied to the university in the form of a transcript or some other official document.
3. These credits will be awarded on a Mercyhurst College transcript upon matriculation in an undergraduate or graduate program at Mercyhurst. These credits will meet requirements in Mercyhurst's Organizational Leadership curriculum
4. A maximum of three credits may transfer from the Corry Regional Leadership program.

Lord Corporation

1. A student who has completed any two levels of the Professional Leadership Series, Level One: Fundamentals of Management; Level Two: Principles of Leadership; or Level Three: Entrepreneurial Leadership, may petition for graduate credits in the Program in Organizational Leadership. A written portfolio describing the leadership training experience must be submitted to and approved by the Director of the Organizational Leadership program. Three graduate credits will be awarded for the training experience supported by an approved portfolio.
2. A maximum of three credits may transfer from the Lord Leadership Series to Mercyhurst.
3. The credits will count toward the 9 required elective credits.
4. The course will transfer in as the Lord Professional Leadership Series on the student's transcript.
5. All portfolios and any other documentation will be placed in the student's permanent file in the Office of the Director of the Program in Organizational Leadership.
